Vicky Vaswani  
Brother/Manager/CEO

They say behind the Success of every man, there is a woman, but in Hitesh's story, it's actually a man. Vicky Vaswani is the man who motivates the motivator. He is the pillar of strength and support behind the scenes, the one and only who believed in Hitesh way before anyone else did.

Vicky is the CEO of Better Than Normal and is in charge of Business Development and Sales. He also often shares the stage with Hitesh to deliver an insiders perspective on how to become **BETTER THAN NORMAL!**

If Hitesh is the "Brand" of Better Than Normal, then Vicky is the "Brains". He has 8 years of experience as a Financial Adviser, and is an expert in building Tribes for Entrepreneurs looking to achieve maximum sales & marketing success with minimum resources.
